

## Unité 1: Ma journée typique

Many daily activities are common cross-culturally.

What parts of my day are common to cultures around the world?

### Content Objective Questions:

- How does one create a paragraph?
- How does one interpret a paragraph in writing?
- What vocabulary words/expressions are appropriate for describing daily routine and chores?
- How does one conjugate reflexive and irregular verbs in the present tense?
- What vocabulary words/expressions are essential for describing the frequency of one's activities regarding routine and chores?
- How does one proof-read their own written work?

**Opening Student Reflective Journal** (Duration 20 minutes): What chores do I do? Why do I do these chores? Do I get paid for these chores? Should I get paid for them? What is the personal benefit to me for doing these chores? If I do not do chores around the home, why not? If I do not do chores around the house, do I find other ways to help out?
