

Unité 4: Clothing and Shopping

Fashion in one culture can influence fashion in other cultures around the world. People can also influence or be influenced by individuals.

Content Objective Questions:

- What verbs do I need to know when I go shopping? How do I conjugate those verbs?
- What vocabulary words/expressions are appropriate for shopping?
- What vocabulary words/expressions are appropriate for describing clothing?
- What are comparative adjectives and how do I use them?
- What are direct object pronouns and how do I use them?
- What are indirect object pronouns and how do I use them?
- How do I combine direct and indirect object pronouns?
- What are demonstrative adjectives and how do I use them?

Inquiry Questions:

Factual: What vocabulary will help me create a message about my personal expression of style?

Conceptual: How can I characterize the connections I feel with other people when I see certain styles of clothing?

Debatable: Could the connections and messages I am trying to make with different audiences be misinterpreted by certain clothing choices?

Personal Journal:

How would you describe your personal style? What clothes do you like to wear? What adjectives would you use to describe your clothing? Are there certain colors you like to wear? Are there styles of clothing you do not like to wear? How does your clothing reflect your personality? Are there occasions where you wear something that doesn't match your style? Why? Explain all answers and add extra information about your clothing choices that might not have been explicitly described in the questions.
